

## From Albuquerque International Airport:

From the airport terminal, take the Airport Exit to Yale (will need to be in right lane), follow Yale (get in left lane) a short distance. Turn left onto Gibson, get in right lane. Exit right onto I-25 North to Santa Fe. Follow I-25 North for approximately 55 miles (88 km). Exit onto St. Francis Drive (Exit 282) off I-25 North. Stay on St. Francis Drive through Santa Fe for approximately 10 miles (16 km). As you leave Santa Fe, you will be on US 84/285 North to Pojoaque (follow for approximately 20 miles or 32 km). At Pojoaque, exit right to Los Alamos and turn left at the signal onto NM 502; remain on NM 502 for approximately 5 miles (8 km). There will be signs to exit to White Rock or stay straight to Los Alamos.

## To Los Alamos Townsite:

Take the exit to Los Alamos (straight on NM 502) for approximately 5 miles (8 km) into the Los Alamos townsite. From Albuquerque International Airport, this route takes approximately 1.5-2 hours of driving time.

## To AMTL driving in from Pojoaque up main hill:

Exit right onto State Road 4 toward White Rock. Go past two light signals (first light is East Jemez Road and second is Rover Street in White Rock). At the third light signal, turn right onto Pajarito Road. Follow Pajarito Road until you see a blue sign for TA-46 (if you see any light signals, you've gone too far). Turn right into TA-46 and follow the AMTL signs around to the right behind a large building. It's TA-46/Building 75.

## To AMTL from Los Alamos Townsite:

From Trinity Drive, head east toward the mountains. Turn left onto Diamond Drive. You will drive past one light signal, over the bridge, and past two more light signals. At the end of Diamond Drive, turn left onto Pajarito Road. Drive past two light signals and turn left into TA-46 (blue sign says TA-46). Follow the AMTL signs around to the right behind a large building. It's TA-46/Building 75.
